## Youth Participation and Consent Form 2018-2019

By signing this form, I agree to and understand the following:

Russian Drama Club Skazka (hereinafter Skazka) enforces certain guidelines for behavior for all participants of Skazka activities, including but not limited to rehearsals, classes, and performances. I understand that these guidelines include the following expectations for conduct, and that these guidelines must be followed at any activity hosted by Skazka or persons acting on its behalf.

1. Participants should be sufficiently mature to conduct themselves in an appropriate manner at all times.
2. Participants are to attend all of the scheduled rehearsals, classes, performances, and other activities as outlined in the beginning of the term. I understand it is my responsibility to ensure that I know of and facilitate the attending of all of the aforementioned activities, and that failure to do so in excess may have consequences including but not limited to the removal of the participant from the program. **I also understand that the participant commits to a full season of instruction as outlined at the beginning of the term.** If conflicts arise, I understand it is my sole responsibility to communicate with the coordinator any such issues, and that a failure to do so is not the fault of the coordinator.
3. Participants are to bring with them to every rehearsal, class, and performance their scripts and all other provided materials effective their issuing date. Scripts are to be kept in good condition throughout the season.
4. Participants should dress appropriately and follow all instructions regarding dress code, especially at times of performance.
5. Participants should take care to avoid distractions such as cell phones, outside reading books, and playtoys while in class. Parents should alert the coordinators to any medical situation requiring the possession or use of a cell phone, so that such may be facilitated.
6. Participants may not be on Skazka grounds unattended. Parents should supervise their children or appoint a representative to do such until a coordinator arrives to start the activity. This is for the safety of the child, and will be strictly enforced.
7. Similarly, participants may not go out to the parking lot unattended to wait for their parents. In the situation that a parent cannot come to the classroom to pick up their child, the parent should notify the coordinator, who will arrange for the child to be escorted. This is for the safety of the child, and will be strictly enforced.

I understand that failure to abide by the guidelines outlined above may result in measures such as verbal or written reprimands, exclusion from activities, expulsion from the group, or other pertinent measures. Skazka wishes to provide every participant an equal opportunity to have fun while expanding their abilities in multiple fields, and cannot tolerate continued violations of the aforementioned guidelines.
